Photograph and Video Use Policy

During the year, photographs of your child(ren) may be taken by parish employees or volunteers, for the parish bulletin boards, parish slideshow, parish website, or possibly (not likely) the local newspaper. Parents may opt out by signing and dating this form where indicated below, and returning it to the Religious Education Office prior to the start of Religious Education classes in September, 2009. Please note that unless you specifically opt out, by returning this signed form, it is assumed that you are granting permission for your child's photograph to be taken. By not opting out, you are granting your permission for photographs that may include your child(ren) to be used for the purposes listed above.

I wish to opt out of the Photograph and Video Use Policy for the Religious Education year 2009-2010.
